

Call for Food Businesses

We are looking for small-scale food businesses to join our new community retail space for our bundle deal days program. The bundle days program is a day where different food vendors sell their culinary goods at different times, depending on your food business offerings. We call it bundle because we bundle it with dessert and hot beverages.

Breakfast Bundle | 7:30-11:00 am

Lunch Bundle | 11:30-4:00 pm

Dinner Bundle | 4:30-9:00 pm

WHY JOIN BUNDLE DEAL DAYS?

- **Increase Exposure:** Your brand will be featured in our well-publicized Bundle Deal Days, attracting new patrons.
- **Community Connection:** Join a venture that serves a community of busy individuals and families, creating strong customer loyalty.
- **Market testing:** Test your food business idea with us as you launch and grow.
- **Streamlined Operations:** Focus on your food; we handle the promotion and administrative details.

This is a unique opportunity for those who wish to participate in a unique community-focused food business program.

We want to hear from you if you're interested in and ready to participate in a venture that celebrates culinary excellence and community spirit! Please complete this brief [form](#).

We will start in May 2024.
